OFFICIAL

Dear Sir,

Re: Results of our submission for Declaration of prior Invention under 37 CFR 1.131 for application 09/396005

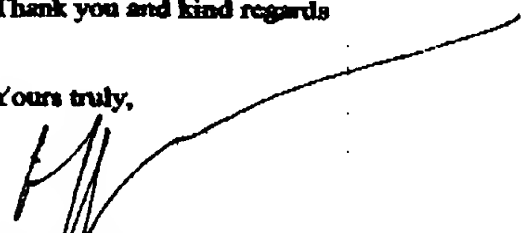

I am writing here to inquire about the outcome of our earlier submission under 37 CFR 1.131 for our application 09/396005.

In particular, we have submitted the above with our response to final for the said application and including a follow up declaration of incorporated into our CPA.

However to date, we have not receive any indication of the merit of the above declaration and we are hoping that you might provide further information as to the status so to enable us to take further action in this regards. I have previously email your good self on this matter and if you need further information please do not hesitate to email me at [chris@smartscape.com](mailto:chris@smartscape.com).

Thank you and kind regards

Yours truly,
